Shusaku Endo's classic novel of enduring faith in dangerous times will soon become the main film directed by Martin Scorsese with Andrew Garfield, Liam Neeson and Adam Driver Silence, which I regard as a masterpiece, a clear and elegant drama. -New York Review of BooksSeventeenth century Japan: Two Portuguese Jesuit priests travel to a country hostile to their religion, where feudal lords force believers to publicly renounce their beliefs. Eventually captured and forced to watch their Japanese Christian brothers put their lives on hold for their faith, the priests testify to unimaginable atrocities that test their own beliefs. Shusaku Endo is one of the most famous and famous Japanese science fiction writers of the twentieth century, and Silence is widely considered his greatest masterpiece. Shusaku Endo was born in Tokyo in 1923 and joined his family in Catholicism when he was a child. Much of his writing centers on the conflict this appeal spawned as he struggled to develop a belief in the deity, a foreign Japanese culture. His writings also reflect his experience during World War II during the bombing and the subsequent shortage of basic necessities for the Japanese people. He explores the suffering and the inevitable shock wave on human relationships and the human psyche. Endo graduated from Keio University and then went to France after the war to continue his studies, but was forced to return to Japan due to illness. After a period of recovery, Endo decided on a writing career, publishing his first novel, Shiroihito, in 1955. His novel Samurai, published in the United States in 1996, is considered one of his best works. His novel Silence was made into one of the main films and premiered in November 2016. Endo's reputation is partly due to his study of moral dilemmas, as it relates to different cultures. Endo has won numerous literary awards. In 1982 he was elected to the Japanese Academy of Arts. Shusaku Endo died in 1996. I regard silence as a masterpiece, a clear and elegant drama. Irving Howe. - The New York Times Review of Books - Susaku Endo is Japan's lead writer, and Silence is generally considered his masterpiece. In the perfect fusion of treatment and themes, this powerful novel tells the story of a seventeenth Portuguese priest in Japan in the midst of a terrible small Christian community. Great talent, Endo makes an impressive debut here with this novel, a bravura admixture of history, theological difficulties and lasting characteristics ... Endo's achievement depends on... magnificent characters, a discreet classic way that he talks about their trials, and his sensitivity to the clash between Japanese culture and the very Western way of religion. - Publishers Weekly - Japanese writer of considerable difference. Silence impresses the because of its simplicity and its harrowing account of people's faith in faith denying the situation. It is worthy of our serious contemplation and respect. - San Francisco Review books and deeply moving, deeply disturbing books... William Johnston's translation is a brilliant, subtle piece of work with no line akilter. - Washington Post Book World Calvary's father Rodriguez is so brilliantly brought to us that even if such a person never existed, he lives now ... This is the best Christian book I've read in years. - America - About AuthorHunsaku Endo was born in Tokyo in 1923. He majored in French literature at Keio University and then studied for several years in France on a scholarship from the Japanese government. His novels, which are now widely translated around the world, have established him as a leading writer in Japan. Directed by Martin Scorsese's latest film, due to be released in 2016 and will star Liam Neeson, Andrew Gafield and Adam Driver. Much of his writing centers on the conflict this appeal spawned as he struggled to develop a belief in the deity, a foreign Japanese culture. His writings also reflect his experience during World War II during the bombing and the subsequent shortage of basic necessities for the Japanese people. He explores the suffering and the inevitable shock wave on human relationships and the human psyche.
