Be aware that while we do our best to it is impossible to disguise all details and some may reveal important plot elements. We went through various editorial editorials since we started covering movies in 1992 and older reviews aren't as complete and accurate as recent ones; we plan to revisit and correct older reviews if resources and time allow. Our ratings and reviews are based on the cinema-released versions of movies; on video, there are often Unrated, Special, Director's Cut or Extended versions, (usually accurately marked but sometimes incorrectly labeled) released that contain additional content, which we did not review.
